

COURSE: Prescribed Fire Planning and Implementation

TOPIC: Prescribed Fire Funding (Unit 6)

SUGGESTED TIME: 1 Hour

TRAINING AIDS NEEDED: Video projection system for powerpoint presentation, overhead projector and view graphs (optional), flip chart

INSTRUCTOR NOTES:

This unit is relatively self explanatory. Be prepared to answer basic questions related to FIREBASE as a budget system, and about what is appropriate to spend 9263 and 9264 dollars for, and what is not appropriate.

There are funding guidelines as a handout in this unit that is helpful for answering questions.
